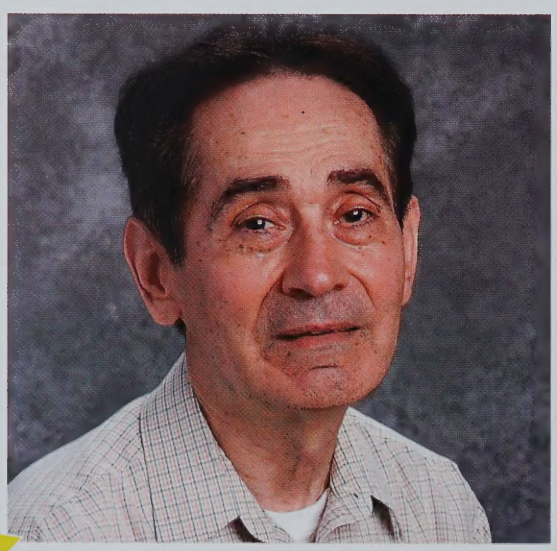
In Dedication To...

Mrs. Jameson

For more than 20 years, Mrs. Danielle Jameson has dedicated her professional life to serving others. With unmatched confidence, composure, and dedication, Mrs. Jameson has spent the last eight years of her career serving as Assistant Principal of Middleborough High School. She has lovingly supported thousands of students working relentlessly to make sure they were mentally, physically, and emotionally safe and cared for; she has been a model of consistency in caring for the whole child. Her contributions to the current culture and climate of the school, the district and building emergency response teams, and Middleborough Matters are just three examples of true impact she has had on our school community. Students appreciate her calm and supportive demeanor and sincere passion with which she leads. Mrs. Dani Jameson has been a great friend, colleague, and advocate for kids over her amazing career. Thanks for everything, Mrs. J!



Mr. Michael

Mr. Michael began his 42-year teaching career at Middleboro Public Schools in the fall of 1978 when he was hired to teach both English and Social Studies at the Middleboro Memorial Junior High School. In 1981 he moved to the Henry B. Burkland School, where he taught 6th grade for twelve years including a period of time where Middleboro students studied at the Sacred Heart Parish Hall due to a fire in the HBB. During this stretch, Mr. Michael taught a mix of English, Reading, Mathematics, and Social Studies. In the fall of 1993, Mr. Michael became the second Russian teacher in Middleboro history when he replaced his mentor, Mr. John Sullivan upon his retirement. Mr. Michael has been the sole instructor of Russian at MHS for the past 27 years inspiring thousands of students. He has helped dozens of learners to embark on college careers in Russian language acquisition and to study abroad. Mr. Michael is extremely generous with his time, talents, and resources. He will be missed greatly and remembered always by his colleagues and students.

A Note From...

Principal
Paul Branagan

Congratulations to the Class of 2020! I hope this class knows how much you all mean to me. Your journey at Middleborough High School has been nothing short of legendary. Your class was the first to enter the Memorial Early Childhood Center as your educational journey began, and will be last class to graduate from the current Middleborough High School. This class has defined the meaning of FinishSTRONG. I am beyond proud of you and your commitment to excellence in every facet of your educational experience at MHS. This class always challenged the status quo in everything you did. Your class mobilized to be one of the most spirited, connected, compassionate, fun and engaging classes I have ever worked with in my career. You, my friends, have made our school stronger at all levels. Your class has made history academically, athletically and through each personal success that you shared with your school. I am grateful.

I am writing this letter during one of the most challenging times in modern history. The Coronavirus pandemic has challenged each of us to the very core. The strength of this class, whose senior year came to a complete stop on March 12, 2020, is something that is unmatched. Your class has rallied around each other, your families, friends and community with such grace, compassion and strength knowing that your leadership and legacy of this tremendous class would be left behind. This class has so much to be proud of, and I am beyond grateful that I had a chance to learn and grow with each of you. You have made our school and community better. You led our school, even during the darkest of time, and you truly shared what strength and compassion can be. It is because of you that our school community will come out of this national crisis stronger and more connected than ever before. You, my friends have made a difference. Please know your high school will be watching you take on the world with pride. Thank you for making Middleborough High School your home for the last four years and making it better. It is my commitment that the legacy of the Class of 2020 will live on as we open the new Middleborough High School in 2021. You will not be forgotten. Ever. You have touched my heart, Class of 2020! I will miss you, your spirit, your energy and most importantl, your commitment to our school.
Always be good to each other!

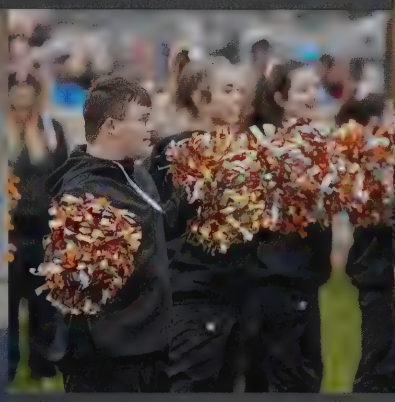
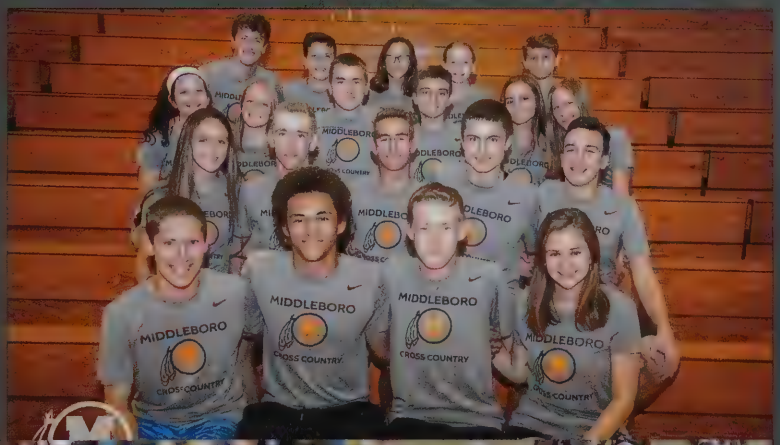
CHEERLEADING

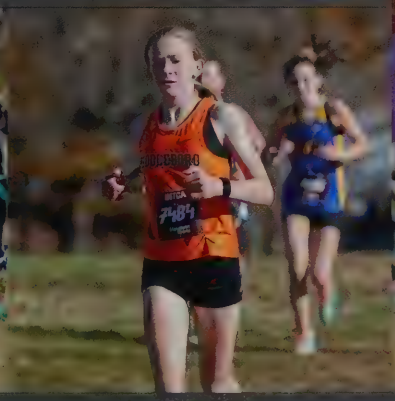
This season the team placed 1st at invitationals, 4th place at leagues but 1st in the teams division, and 2nd by 0.4 at regionals. At the end of the season they qualified for nationals. The team did a great job cheering on the football team through their season and bringing the spirit to the student body at pep rallies.



CROSS COUNTRY

The 2019 Middleboro Cross Country team was led by senior captains, Eric Bladwin, Jayden Carviero, Paul Giovanoni, and Olivia Ventresca . There were two all-scholastic athletes on the team with Junior Shae Gallagher and Senior Paul Giovanoni representing Middleboro High School. The boys team ended with a 5-2 record. The girls team ended with a record of 6-1. The team overall had a successful season coached by Coach TJ Smith. Both teams hope to grow and become even more successful next year.



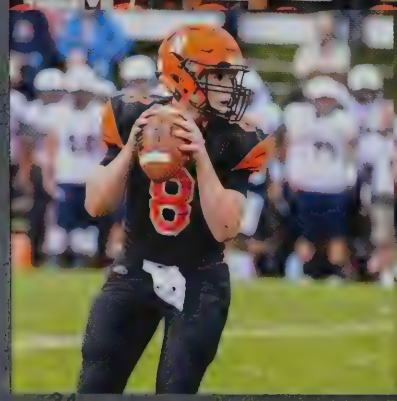


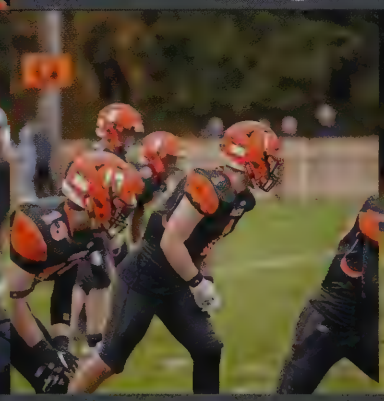
FIELD HOCKEY

Middleboro Field Hockey pulled together yet another successful season finishing with a record of 8-8-2. They were able to keep their dreams alive by qualifying for tournament for the second year in a row. The team was led by coaches Lisa Perry and Amanda Reynolds as well as senior captains , Carissa Chane, Greta Jacobson, Kaley Lundquest, and Jenna Robicheau. The girls left it all out on the field this season and have high hopes for upcoming seasons now that they are recognized as a legitimate tournament team.

FOOTBALL

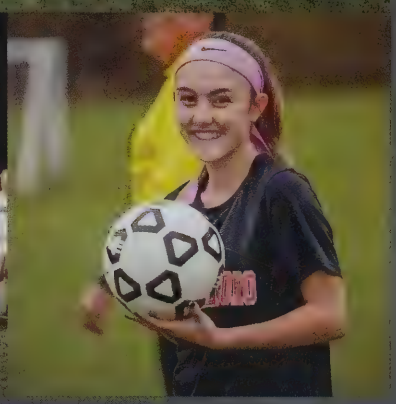
The 2019 Football season was another enthusiastic season filled with grit and grind. The team featured many new underclassmen along with the first female player, Hannah Stearns, the team's kicker. The offense was led by junior quarterback Timothy Crowley and lineman Cameron Lapierre, along with the defense led by seniors Cole Perkins and Elijah Evirs, defensive end and outside linebacker. The season ended with a historic final game played on Battis Field. The Sachems went out with a bang winning over Carver on Thanksgiving ending their season at 4-7.





GIRLS SOCCER

Led by senior captains Juli Carrington and Caitlin Swanson, the 2019 Girls Soccer team had an outstanding season with a record of 10-6-2. The hard work and strength of the girls, along with the guidance from Coach Dennis Cutler, led them to the MIAA Tournament for the second year in a row. There is a bright outlook for the team with a large number of players coming back as seniors next year.

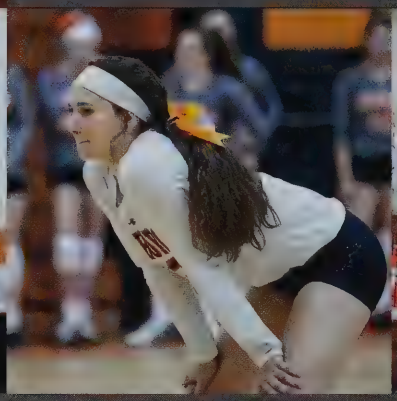


BOYS SOCCER

The Middleboro boys soccer team was led by senior captains Nate Curpenski, Aiden McKenna, and Josh Savard. Although the team did not have the greatest record this year, under the leadership of eleven seniors on the varsity team and the two coaches, Alex Rodriguez and Chris Brady, there was much to learn and great improvement for the future of these young men on and off the field.

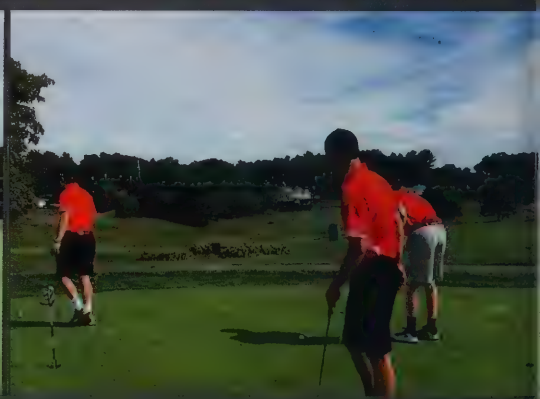
VOLLEYBALL

The volleyball team had a memorable season this year. Led by captains Sam Crowley,Tori Warner, and Eden Eugenio, they posted a record of 3-14. That record, however, does not tell the whole story. The girls were competitive in every game and had a ton of fun this season. The team has a lot of hope for next year as the JV and Freshman teams have a lot of up and coming talent.



GOLF

Coached by Larry Oliver and led by senior captains, Christopher Cogan and Matt Desrosiers, the 2019 Sachems Golf team made history. As the first team in Middleboro High School history to win a league championship, their record in the league was 12-0 and their final record was 14-3. Representing the Brockton Enterprise All-Scholastic team was Colby Allen and Christopher Cogan.

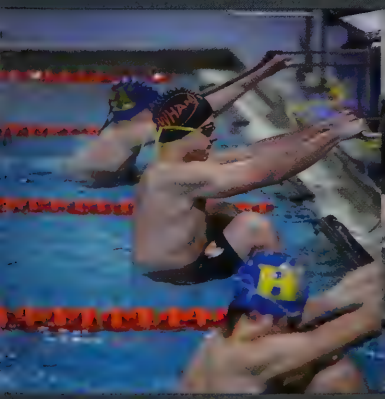


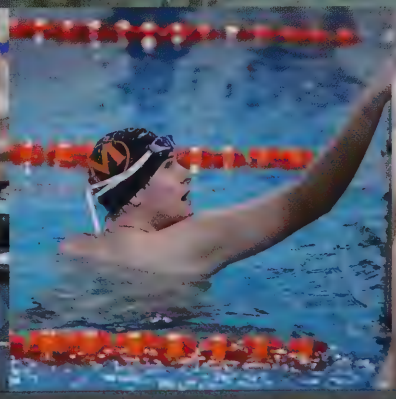
ICE HOCKEY

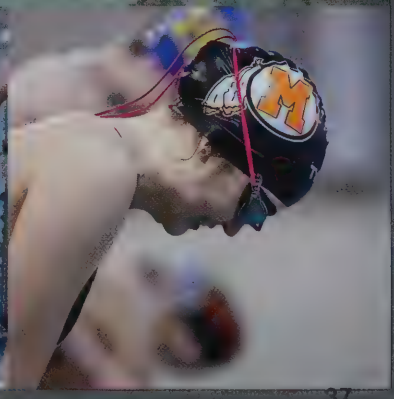
Led by junior captain Justin Plausky, with Chris Cogan and Matt Ruggerio on his side, the 2019-2020 Sachems hockey team finished their season with 6 wins, 12 losses, and 2 ties. They managed to net 55 goals during their inaugural season without the assistance of Hull. Goalie Colin Nevitt had a strong season between the pipes, helping the Sachems keep their games close. This squad was coached by Scott Drevitch and Steven Chamberlain.

SWIMMING & DIVING

WHAM had another successful season this year. The girls swim team placed third in the league with a 5-3 record, while the boys placed fourth with a record of 6-2. Seniors Declan Hastings and Nicole Hart both made states for diving, with Nicole breaking her own school record in the process. Captains of the swim team were Jayden Carveiro, Lauren Harrington, Declan Hastings, and Maddie Navicky. This year's swim team was coached by Everett Clark, Meghan Donaghey and Tara Morano.

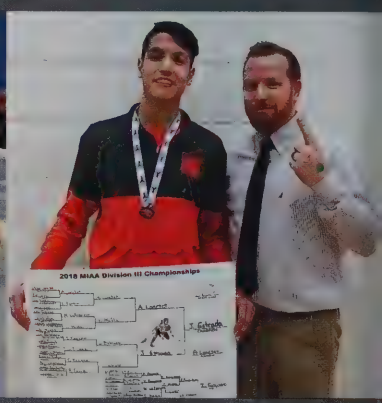






WRESTLING

Although the team did not have the best record, overall there were many individual successes and team growth throughout the season. Despite many ups and downs in his season, Apponequet wrestler Jaden Estrada made it to states and won the championship in his weight class. The team was coached by Paul Donovan and has high hopes for future seasons.



WINTER TRACK

The winter track team had a very successful season. Coached by TJ Smith and Alex Rodrigues, the boys went 5-2 with their only losses being to Randolph and E. Bridgewater. The leading point scorers for the boys were Paul Giovanoni and Michael Neitlich who was the league champion for the 600 meter. The girls winter track team had an impressive season finishing with a dominant record of 6-1. The girls placed second in the South Shore league meet. Senior Caitlin Swanson was the league champ and has the school record in the 2 mile to cap off a great season.

BOYS BASKETBALL

In Michael Duarte's first year as head coach of Middleboro High School's Varsity Basketball team it was an underachieving season. A season full of improvement and team building was led by senior co-captains, Reece Marcal and Alex King. While the Varsity Boys Basketball team finished with a record of 5 wins and 13 losses, the Sachems have a bright future ahead of them as their Freshman Basketball team had an outstanding season.

GIRLS BASKETBALL

The girls basketball team had a very successful season led by senior captains Samantha Crowley and Kara McManus. The Lady Sachems ended the season with a record of 16 wins and 6 losses, going 7 and 4 in the South Shore League. The team earned home court advantage for their first game of the MIAA tournament. They beat Apponequet to advance to the second round, but their season would come to an end against Dedham. The team had three S. S. L all stars; Amanda Bukunt , Samantha Crowley , and Jordan Peebles. The coach of the team was Jeff Powers who was named S. S. L coach of the year.

UNIFIED BASKETBALL

The Unified Basketball team offers a unique experience for all levels of athletes, whether they are first-time basketball players or experienced on the court. Students are able to build friendships, skills, and confidence. This was the second year of Unified Basketball at MHS.

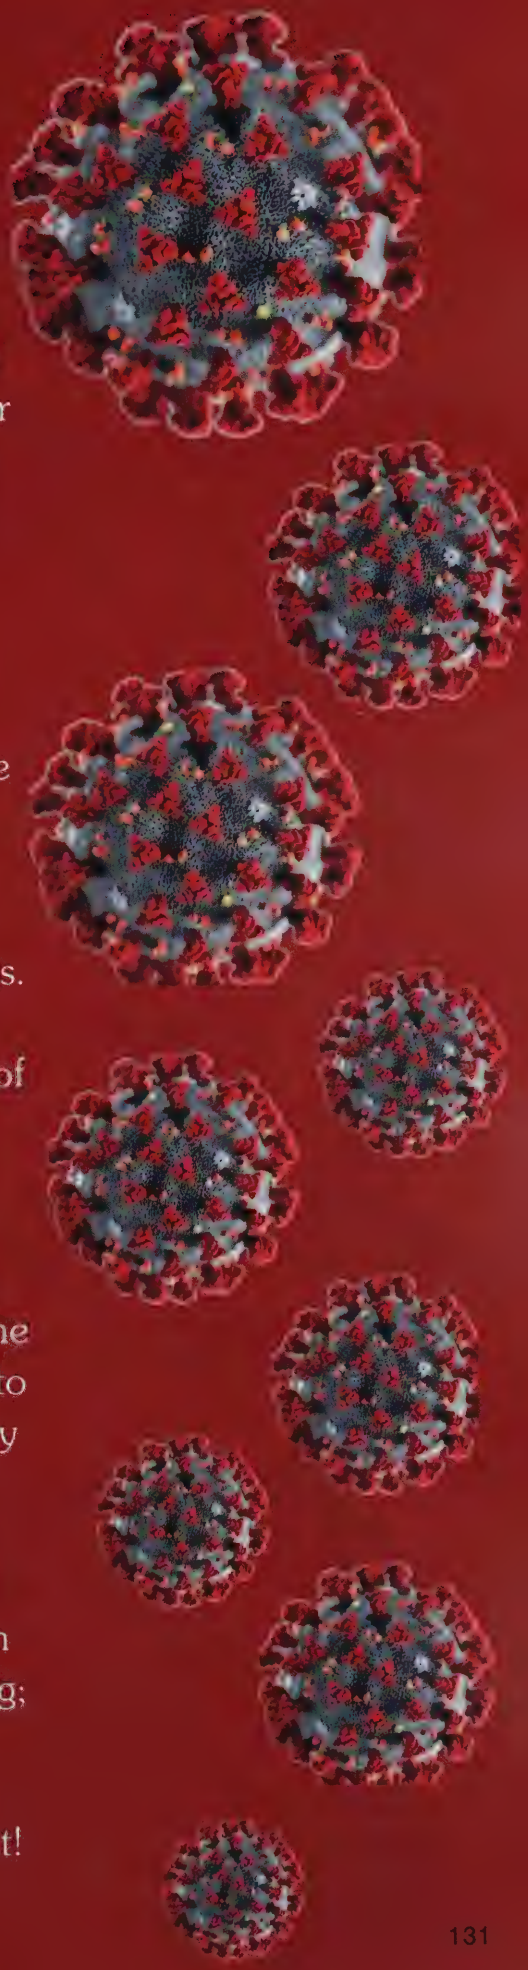
CAUTION

SENIORS IN QUARANTINE

COVID-19



The Class of 2020 certainly expected to be exposed to our fair share of hard times, however being quarentined was never one of the things we prepared for. Senior year is the final chance for most students to make memories before they depart for college away from all their loved ones, and to have that become threatened is truly heartbreaking. The 2019-2020 school year certainly started off on a challenging foot with the EEE warning throughout our county, followed by the ongoing construction site in the backyard of our school, which we learned to adapt to. Now as our high school career is coming to a close, we face the ongoing COVID-19 pandemic. As this virus took off, none of us considered the possible long-term effects it would hold over our class. We watched the graduating classes before us enjoy the fulfilling and memorable events that celebrated the end of their MHS journey. It has always been our dream to do the same as those students, leaving high school with no regrets. To us, this virus became more than a sickness. For some of us it was not playing our last spring sports season, or performing at our last Pops concert. It became us not being able to leave our houses for weeks on end to see our friends and family, or not going on the legendary senior class trip. We, the class of 2020, have not only done our best to work through these hardships, but we are also looking on the bright side of the situation and keeping our eyes on those diplomas we'll be receiving in June. As this year comes to an end, remember one thing; we are a legendary class and nothing we do will be forgotten. We will go down in history and that is what truly matters. Congratulations Class of 2020, we made it!

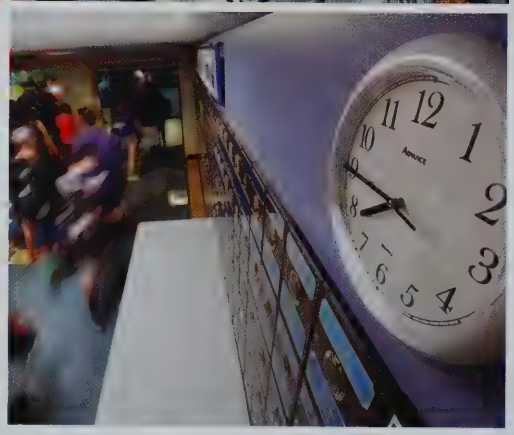
FASTEST FINISH

Eliud Kipchoge finishes the Austrian INEOS marathon in 1 hour, 59 minutes and 40.2 seconds. He is the first human in history to run a marathon in under two hours. According to a team of pacemakers who keep up with Kipchoge throughout the ordeal, he runs a pace of 4:33.5 minutes per mile to finish the race ahead of schedule.

HISTORIC SPACEWALK

Astronauts Christina Koch and Jessica Meir complete the first spacewalk with an all-woman team. This is Koch's fourth space walk and Meir's first. NASA Administrator Jim Bridenstine mentions that NASA's Artemis program is currently working to land the first woman and the next man on the moon in 2024.



ROLL BACK THE CLOCK

In October, California's Governor signs a bill becoming the first state in the nation to pass legislation that prohibits public schools from starting too early. The bill mandates that middle schools can start no earlier than 8 a.m., while high schools will be prohibited from starting any earlier than 8:30 a.m. Public schools have until the start of the 2022 school year to adjust their schedules accordingly.

NOTRE DAME DESTRUCTION

A mammoth blaze tears through the Notre Dame Cathedral in Paris, nearly destroying the 850-year-old landmark. The church's wooden latticework roof and iconic spire collapse, but many of the valuable cultural treasures avoid damage with some kept safe at the Louvre Museum. French President Emmanuel Macron would like the Notre Dame Cathedral to be rebuilt in five years, but restoration experts believe it could take 10 to 15 years. More than $700 million is collected in donations for the reconstruction, including $100,000 from the University of Notre Dame in Indiana.

GLOBAL FIRES

Massive wildfires rage on two continents: in Brazil's Amazon rainforest and across Australia. This year the Amazon rainforest experiences the highest number of fires since Brazil's National Institute for Space Research began keeping records in 2013, which burn 2.2 million acres. The Australian bushfires primarily affect the state of New South Wales and 12 million acres are burned as of January 2020. New South Wales is home to Australia's most populous city, Sydney.

LOST CONTINENTS

Douwe van Hinsbergen – a geologist at Utrecht University in the Netherlands – and his colleagues discover a lost continent known as Greater Adria while studying rocks beneath the Mediterranean Sea. Approximately 140 million years ago, Greater Adria and southern Europe collided, burying Greater Adria in the process. Most of the continent sank beneath what is now Italy, Greece and the Baltics. Analysis of ancient rocks suggests that almost all of Earth's earliest continents might have disappeared, leaving traces behind like certain rocks found on the Alps.

Gauff is the youngest player to win in the first round of the women's singles since 1991. In October, Coco wins Austria's Linz Open, becoming the youngest woman to win a Women's Tennis Association Title since 2004.

HISTORIC HEIGHTS

Simone Biles wins five gold medals at the 2019 World Championships, more than any gymnast at a single World Championship since 1958. She also earns her 25th career World medal, 19 of which are gold, a total that surpasses any gymnast in history. While winning her sixth U.S. all-around title in Stuttgart, Germany, the 22-year-old gymnast successfully lands two historic gymnastics moves: the double-double dismount off the balance beam and the triple-double on floor. Her landing of the triple-double move on floor is dubbed the Biles II in the FIG Women's Artistic Gymnastics Code of Points. She also has a floor element named the Biles.

Fifty years ago, on July 20, 1969, about half a billion people across the globe – about one-seventh of the Earth's population at the time – watch NASA astronauts Neil Armstrong and Buzz Aldrin become the first humans ever to set foot on the moon as part of NASA's Apollo 11 lunar mission. The 50th anniversary celebration is marked with numerous events across the U.S. over five days. NASA restores the Apollo Mission Control Center to appear as it did during the original television broadcast of the moonwalk, to the delight of visitors to the Space Center Houston.

ROBOTIC DOORSTEP DELIVERIES

With self-driving vehicle technology rapidly advancing, many companies are turning to autonomous robots for the final leg of the delivery process. Often called the last mile, this stretch is usually from the store or local distribution center to the customer. The latest company to join the trend is e-commerce giant Amazon. Following a successful eight-month test run in Snohomish County, Washington, the company's Scout robots have been making the rounds in Irvine, California since August 2019.
